Your own Farm Wedding

Our grounds are the perfect place for a mountain wedding or reception.

With the barn, arbor and Mt Adams as your backdrop, our B&B provides a unique setting for a country wedding.

Turn-of-the-Century Barn

Our Trout Lake Bed and Breakfast can be a wonderful setting for the relatives, friends and future in-laws to meet, hike, raft and get to know one another.

And after the wedding, there's the barn for your reception, dancing or in case of rain.

We'll give 100% to help make your dream wedding come true. Our B&B has been the wedding location for couples from Seattle, Portland, San Francisco and Boston. Our weddings have been featured in the "Portland Bride & Groom" and Columbia Gorge Magazines.

Perennial Gardens, Mountain Views

Our setting also allows for plenty of parking and nearby caterers are tasty and professional.

Local caterers are also available.

"Thank you for making our 'Farm' wedding become a reality... complete with barn dancing to celtic music! Sean and I have created some beautiful memories here. We are already planning our next trip to see the wild flowers... or perhaps cross-country skiing. Thank you from the bottom of our hearts. We'll be back."
